PacArctic, LLC awarded contract to provide Assistive Technology Support Services for the Defense Logistics Agency (DLA)

Chantilly, VA (February 13, 2017) – PacArctic, LLC of Chantilly, VA will provide services to support accessibility and the implementation, configuration, and testing of Assistive Technology (AT) solutions in support of Agency-wide employees who use AT hardware and software to access information to perform their job function. This support includes project management, engineering support, user support, and training for a comprehensive accessibility and AT support program across the DLA enterprise.

Geoff Wheeler, President of PacArctic commented “Our support will ensure that the DLA meets the requirements of the Section 508 of the Rehabilitation Act, so all users, regardless of physical ability, can be productive and support the mission. This project is particularly meaningful as it embodies the core values of our company to provide equal opportunities for all employees.”

About PacArctic, LLC.

PacArctic, LLC, is an SBA 8(a) certified subsidiary of Koniag, Inc., an Alaska Native Corporation (ANC), and provides high-end federal acquisition and business transformation support services, cultural resource surveys, professional facility management and critical infrastructure protection, as well as business transformation and process improvement services. PacArctic also provides program management and specialized IT services such as employee assistive technologies, photogrammetry utilization for native rock art recording, and geographic information systems (GIS) program management for transportation planning needs.
