**Kelly Mire named President of Koniag Services Inc.**

**Chantilly, VA** (February 13, 2017) – Kelly Mire, a 25-year veteran of federal IT and management consulting services, has joined Koniag Government Services (KGS) as President of of Koniag Services Inc.(KSI) Kelly is fully responsible for driving the advancement of the KSI mission and objectives. He leads all aspects of delivering information technology and services for client success, revenue, profitability and growth of KSI.

Prior to this appointment, Mire held executive leadership positions with large management consulting organizations where he drove the expansion of client relationships by developing and delivering complex IT services and solutions. He has successfully built and managed large and highly proficient capability teams working across a broad and diverse client portfolio, consistently focused on delivering valued results within mission critical technology programs. Mire held executive leadership positions at Deloitte Consulting and BearingPoint, focused on revenue growth and management within public sector IT for health, defense and civilian markets.

Koniag Government Service’s CEO, Ed O’Hare, commented: “The addition of Kelly strengthens our team with an executive experienced with managing complex organizations and with tremendous experience in strategy development and implementation which will ensure the future success of KSI and will provide additional expertise for all the KGS companies”.
