Koniag Information Security Services Awarded GSA 8(a) STARS II GWAC Prime Contract

Chantilly, VA—June 13, 2017 — Koniag Information Security Services, LLC (KSS) announced today that it was awarded a Governmentwide Acquisition Contract (GWAC) from the General Services Administration (GSA) for SBA Certified 8(a) businesses. KSS received four awards in Constellation I including North American Industry Classification System (NAICS) functional areas: 541511 – Custom Computer Programming Services, 541512 – Computer Systems Design Services, 541513 – Computer Facilities Management Services, and 541519 – Other Computer Related Services.

KSS specializes in providing Business Optimization, Technology Solutions, and Critical Infrastructure and Physical Security services to its federal government customers. “This contract provides Federal Agencies more access to the specialized services and expertise KSS offers”, said Rick Lester, President of Koniag Information Security Services, LLC.

The 8(a) STARS II GWAC is designed to promote small business utilization when purchasing information technology (IT) services or IT services-based solutions for the federal government. This program is reserved exclusively for 8(a) small business concerns. Federal agencies can issue task orders under the \$4 Million competitive threshold on a sole-source basis.

Benefits of using the GSA 8(a) STARS II GWAC include:

- 8(a) socioeconomic credit transferrable to the agency
- Access to prequalified 8(a) small, disadvantaged businesses
- Shortened procurement lead time
- A low contract access fee (0.75 percent) built into the ceiling prices
