**Koniag Information Security Services LLC awarded  
Contract to provide Program Management, Engineering &  
Technology Acquisition Support for DISA**

**Chantilly, VA** (August 7, 2017) – Koniag Information Security Services LLC (KSS) recently won a \$16M, 5 year contract to improve and modernize DISA’s Information and Communication Technology (ICT) assets. KSS will support DISA with their requirements for rapidly acquiring and integrating critical Senior Leader Communications capabilities. KSS will provide a wide array of Program Management, Engineering, and Technology Acquisition assistance to ensure operational readiness and enhanced mission performance.

“We’re excited to continue our long standing partnership with DISA and supporting their mission critical requirements” said KSS President Rick Lester.
