Eagle Harbor Solutions LLC will support the Defense Digital Service(DDS) with Cloud Migration

Chantilly, VA (January 16, 2018) – Eagle Harbor Solutions LLC (EHS), a subsidiary of Koniag Government Services, will support the Department of Defense (DoD) Cloud Executive Steering Group (CESG) and Defense Digital Service (DDS) as it executes the acquisition for the DoD enterprise cloud initiative in partnership with the Deputy Chief Management Officer.

EHS will support the Cloud Executive Steering Group (CESG) to devise and oversee the execution of a strategy to accelerate the adoption of cloud architectures and cloud services. We will support the acquisition of a modern enterprise cloud services solution and migration of the first applications with a full range of infrastructure engineering, software engineering, acquisition, strategic communications, business operations, cost estimation, and budgetary expertise. We will facilitate communications and coordination with the Office of the Secretary of Defense, Joint Staff, Military Departments, and Combatant and Unified Commands.

“We are honored to provide this critical support for laying the foundation to accelerate enterprise cloud adoption as directed by the Deputy Secretary of Defense” said Eagle Harbor Solutions President Todd Morgan.
